Sir

8/15/4

With reference to your lr No L 1771/47 R dated 30th June 1947 relating to the introduction of the system of pre-audit of accounting in the Shimoga Town Municipality till such time as Qualified Accounts Clerks are available I have the honour to state that the Municipal Council who were apprised of the views of the Government have resolved that the Government might be approached once again with a view to obtaining of sanction for introduction of the scheme to enable pre audit of all transactions - A copy of the resolution of the Municipal Council dated 30-11-47 together with the letter No C16/44-45 dated 7-11-47 from the President stating that sanction of Government be obtained in view of the very heavy transactions of the Municipality enclosed for reference

5/4/48

I agree with the Municipality in that the Municipality as a big one has in large more transactions and that it is desirable and necessary to have pre-audit system In my opinion a local audit section may be opened in Shimoga and entrusted with pre-audit of bills of the Municipality District Board and Public Works Department which with the several irrigation Schemes in all are more or less sufficient to provide full work for a Sub Circle

I therefore request that the recommendation may be reconsidered in view of my present proposal and sanction of Government obtained in case the Government are not willing to sanction the Audit Section permanently atleast may be sanctioned for a year or two in the first instance

I have the honour to be
